## **Prayers for Las Vegas Pass Gun Violence Control Measures**

It was chilling and saddening to wake up this morning to the news of the Las Vegas mass shooting late last night. The National Advocacy Center and the Sisters of the Good Shepherd around the country and around the world are offering our prayers for those who have died, for the victims, for all their families and for the citizens of Las Vegas.

It is reassuring to hear the stories of so many every day heroes and of the heroism of the first responders who undoubtedly saved many lives. We offer prayers of thanks.

As a founding member of Faiths United Against Gun Violence, we also pray for an end to gun violence and call on policy makers and legislators to take steps immediately to pass gun violence control measures.
